TERMS-Four Dollars per annum morning, only a few months after it was organized, on r pairing to the school house, we found the doors tightly nailed against us. Who did it, do you ask? Really I do not know-I never did know-but I presouthwestern part of Louisana, in the same somebody knew. Well, there was no other house in which we could conveniently assemble, so that our interesting little Sabbath school lad to be given up. It came to an untimely end; but not so with its effects. I believe they will be as lasting as Eternity, I am sure I feel very thankful that I ever enjoyed its privileges. And as I look back from a stand-point on which nearly fifty years' travel on the journey of life places me, it is with the deepest gratitude of heart, that I discover that nearly every one of that little band, teachers and scollars, became the followers of the blessed Saviour. Many of them have long since left the shores of time, but they have gone to that bright and beautiful country, where the flowers never fade.

Our worthy superintendent lived a devoted christian, and attained to the advanced age of upwards of ninety years-then slept in Jesus.

There is but one of the teachers there teach their school. But dear Of the schollars I count one, two, three, four; I believe that is all, and all of them have for many years been The timid Girondists, under "The War and its Results - was, there were no sunday school O, may as fair a record be written, control of the fierce mob by "The White Man is a Slave!" - Books to be had at that early day; no fifty years hence, with regard to question books, not even catachisms. the control of the fierce mob by "The White Man is a Slave!"— tooks to be manatimatearly day, no the control of the fierce mob by In a graphic review of public affairs not even dibrary books at all. But for may enter is the prayer of your friend tunately most of the children possess.
